

### **Sideways Puff Stitch (SWPuff ST):**

Before you make a sideways puff stitch you always have 3 DC STS (*Picture 1*)

Yarn over hook, insert hook in indicated stitch (*this is going to be the ST you put the first DC into {it's the base of the first DC}, NOT the DC itself!*), pull up a long loop through that stitch/space (3 loops on hook) (*Picture 2*)

(Yarn over hook again and insert hook into the same stitch, pull up a loop (same height as the previous one) 3 more times. You should have 9 loops on your hook. (*Pictures 3-5*)

Yarn over and pull through 8 loops, (2 loops on your hook) (*Pictures 6-7*), yarn over and pull through both loops. (*Pictures 8-9*)
